

Study Abroad for Accounting Majors

PSU allows students to participate in any study abroad program that is good for them – the following are only suggestions.

Short Term:

PSU short term faculty-led programs change from year to year. Keep an eye out for posters and announcements in your classes to learn about short term faculty led programs. K-State and KU and other universities' short term study abroad programs are open to PSU students. These also change from year to year.

Summer Programs available through PSU's affiliate organizations: (deadline to apply – March 1st for summer abroad):
