Kelce Leadership Team Meeting

11:00 a.m., October 5, 2017

- I. PLC Update (Last week – Grimes / This Week – Cortes)
 - a. Carry Forward Funds – identify immediate and long-term uses; Lynette’s office has been notified that 2/3 of our \$180K carry forward originated in Student Technology Fee funds. The KLT agreed that all departments/units in the college would not request use of those funds this year unless there is an emergency.
 - b. EMSS does not have a budget line for departmental recruiting trips; some departments on campus have requested EMSS to financially assist in recruiting trips by faculty – no such funds are available, however, EMSS can supply recruiting materials and other assistance if needed
 - c. Confirmation of eliminated faculty lines and budget shortfall; Dean Grimes confirmed the elimination of the previous line held by Jeff Poe in the MGMKT department. Additional lines may be needed for the current \$850K shortfall in FY18 budget.

- II. Online MBA Proposal
 - a. Meeting with VPs Olson and Ball regarding AP Online MBA Proposal; Dean Grimes met with Lynette and Doug to confirm that the process to establish a new online MBA should move forward.
 - b. Next Steps – Contract review with Jamie Brooksher is next internal step to be taken. AP will visit again in early November to determine which campus offices need to be involved in setting up the program.

- III. Faculty Travel
 - a. Review “Targeted Conferences” Lists – postponed until next meeting.

- IV. Miscellaneous
 - a. First Crimson and Gold Day – All went well but lower student turnout than expected.
 - b. Fall Alumni Awards – no KCOB representative this year; no need to host this fall.
 - c. Chairs/Directors/Deans meet with Provost debrief; KLT discussed meeting held earlier in the day – focus was on recruitment and retention
 - d. MABDA Conference – Dean Grimes reported that the CEO of AACSB attended the meetings and provided a “refreshed” approach to accreditation. Most of last summer’s edits to the standards are for clarification purposes. We need to read carefully to make sure our clear view is the same as theirs! Lots of changes coming in the future for separate Accounting accreditation – including perhaps more flexible faculty qualification standards.
